PROMINENT ARRIVALS.

NEW-YORK CITY.

The mechanical monkey has made its reappearance

on the streets.

West Broadway is barricaded in places with huge piles of packing boxes.

Workmen were relaying the rails of the surface roads in Park-row yesterday.

The basin of the so-talled fountain in City Hall Park is a tavorite sleeping-place for tramps.

The Bowery museums have brushed the dust from their alleged curiosities and now announce new attractions.

The repairing of the steeple of St. Paul's Church, at Vesey-st., and Broadway, is completed, and the workmen have taken down the scatiolding.

UNNECESSARY USE OF PRECIOUS WATER.
Street sprinklers were used extensively in Broadway, between Fourteenth and Twenty-third-sts., on Saturday evening, in spite of the injunction of the Department of Public Works.

HIS TRIGH BROKEN IN A QUARREL.

In a quarrel in the tenement-house at No. 337 East

Moore, there will be nothing done in the Court of
Sessions this week.

Prospect Park had a large number of visitors yes-terday afternoon and there were many industrious seekers for nuts beneath the chestnut trees.

Much surprise was caused recently in a Brooklyn street-car, an open one, by the conductor's refusing to receive a passenger on the ground that the car was full. Soon after an officer in the waiting-room of Fulton Ferry was seen to forbid a man to smoke. That both these acts were in compliance with undertood rates did not lessen the surprise of those who say them.

A case of the death of a boy from drunkenness was reported by the Brooklyn police yesterday. About 5 o'clock in the afternoon, a policeman of the Fifth Precinct found Joseph Dempsey, age thirteen, ot No, 99 Seventhest, E. D., lying dead in a vacant let near North Eighthest, between First and Secondests. The only apparent cause of death was alcohelism. The case was reported to Coroner Parker for investigation.

A. W. Dieter, the restaurant proprietor at No. 371
Pulion-st., sent one of his waiters, George Fitzgeraid, age twenty-six, to Westcott's express office 8-turday evening, with \$65 in large bills to get small
change. Fitzgerald failed to return, and two hours
atterward was arrested at Hicks and Harrison-sis.
by a policeman of the First Precinct, on complaint

8t. Luke's Protestant Episcopal Church, in Clinton-ave., Brooklyn, was opened yesterday for the first time since its improvements were completed. Special services were held by the rector, the Rev. George R. Van DeWater. A new chapel has been built, a new organ has been put into the church, and the chancel has been enlarged and beautified. The chapel is of Philadelphia brick, with the interior finished in Georgia pine. It seats 350 persons. The new organ is said to be a very line one with thirty-two stops.

The new organ is said to be a very fine one with thirty-two stops.

The continued drouth is affecting the supply of Ridgewood water, and the Department of City Works will recommend care in the use of water and the prevention of all waste in order that no danger of a water fargine may be incurred. Brooklyn's recent immunity from disastrous fires has prevented any unusual use of water for several weeks. A large fire would draw heavily on the supply. The continued dry weather has caused many custerns in the towns of Kings County to be exhausted. There is still, however, plenty of water in wells.

Upon a warrant issued by Justice Bergen on Saiurday, Detective Riggs, of the Central Office, arrested Christopher O'Donnell, of No. 358 Secondave., New-York, charged with intent to defrand. It is alleged that O'Donnell purchased a pool-table of the Brunswick & Balke Company, at a price of \$500, on the instalment plan. He took it to his place of business, at Dean-st. and Fourth-ave. After paying \$30, and before paying a second instalment, he took the table to New-York and sold it. This coming under the law of intent to defraud, a warrant was secured. The table has been recovered.

JERSEY CITY.

Four smallpox cases were reported yesterday from one locality. Two were at No. 154, one at No. 156 and one at No. 158 Morgan-st. The quarter centennial of the Bergen Presbyterian Church, in Emery-st., was celebrated yesterday. In

The quarter centennial of the Bergen Presbyterian Church, in Emery-st., was celebrated yesterday. In the morning the Rev. Dr. Edward W. French, who has been the pastor of the church since its dedication, preached a historical sermon, and in the evening there were special services.

Michael Mannion, a boy five years old, while playing with some other children yesterday afternoon at the brow of the hill directly over the entrance to the Delaware, Lackawanna and Western Railroad tunnel, fell over the precipice and struck on the stones thirty feet below, sustaining fatal injuries. He was removed to St. Mary's Hospital in Holoken.

E. Newton, a fireman in the employ of the Newark and New-York Railroad, jumped from a moving train near the depot Saturday night and struck headforemost on a rail. "You will have to be content with a small one," said a florist to a customer who had ordered a bouquet one day recently. He had probably made the remark a number of times within the last few weeks before this time, when it was overheard by a Tribunk reporter. With the return of people from the country, and the consequent increasing demand for dowers, the florists have for some time had great difficulty in keeping them supplied.

The Rev. S. G. A. Côté, paster of the French Protestant Church at Lowell, Mass., and T. W. Coolidge, are in this city endeavoring to awaken an interest in French Protestantism throughout the country. By invitation of S. B. Schieflelin, they yesterday conducted services in the Sanday School of the Reformed Church at Fifth-ave, and Forty-eighth-st. Upon the invitation of Superintendent Strong, they will present the cause before the Sunday School of the Memorial Pre-byterian Church next Sunday. In consultation with the Rev. Drs. Ormiston, Taylor, Hall and Crosby, a union meeting was recommended. One of the objects is to raise a fund of at least \$20,000 for the Immediate organization of new missions in this and the New-England States. The cause will be presented at the Congregational Conference to be held in Brooklyn on Wednesday.
